Greetings), hereinafter referred to as Domestic Interested Parties, within the deadline specified in 19 CFR 351.218(d)(1)(i).<sup>3</sup> Domestic Interested Parties claimed interested party status under section 771(9)(C) of the Act, as producers of the domestic like product.<sup>4</sup> On November 3, 2017, Commerce received complete substantive responses from Domestic Interested Parties within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).<sup>5</sup> We received no substantive response from any other domestic or respondent interested parties in this proceeding, nor was a hearing requested. #### Scope of the *Order*

The products covered by the *Order* are certain folding gift boxes. Folding gift boxes are a type of folding or knock-down carton manufactured from paper or paperboard. Folding gift boxes are produced from a variety of recycled and virgin paper or paperboard materials, including, but not limited to, clay-coated paper or paperboard and kraft (bleached or unbleached) paper or paperboard. The scope of the *Order* excludes gift boxes manufactured from paper or paperboard of a thickness of more than 0.8 millimeters, corrugated paperboard, or paper mache. The scope also excludes those gift boxes for which no side of the box, when assembled, is at least nine inches in length.

Folding gift boxes included in the scope are typically decorated with a holiday motif using various processes, including printing, embossing, debossing, and foil stamping, but may also be plain white or printed with a single color. The subject merchandise includes folding gift boxes, with or without handles, whether finished or unfinished, and whether in one-piece or multi-piece configuration. One-piece gift boxes are die-cut or otherwise formed so that the top, bottom, and sides form a single, contiguous unit. Two-piece gift boxes are those with a folded bottom and a folded top as separate pieces. Folding gift boxes are generally packaged in shrink-wrap, cellophane, or other packaging materials, in single or multi-box packs for sale to the retail customer. The scope excludes folding gift boxes that have a retailer's name, logo, trademark or similar company information printed prominently on the box's top exterior (such folding gift boxes are often known as "not-for-resale" gift boxes or "give-away" gift boxes and may be provided by department and specialty stores at no charge to their retail customers). The scope of the *Order* also excludes folding gift boxes where both the outside of the box is a single color and the box is not packaged in shrink-wrap, cellophane, other resin-based packaging films, or paperboard.

Imports of the subject merchandise are classified under Harmonized Tariff Schedules of the United States (HTSUS) subheadings 4819.20.0040 and 4819.50.4060. These subheadings also cover products that are outside the scope of the *Order*. Furthermore, although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of the *Order* is dispositive.

#### Analysis of Comments Received

All issues raised in this sunset review, including the likelihood of continuation or recurrence of dumping and the magnitude of the margins likely to prevail if the *Order* were

revoked, are addressed in the Issues and Decision Memorandum,<sup>6</sup> dated concurrently with, and hereby adopted by this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov> and to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed at <http://enforcement.trade.gov/frn/>. The signed Issues and Decision Memorandum and the electronic version of the Issues and Decision Memorandum are identical in content.

#### Final Results of Review

Pursuant to sections 751(c)(1) and 752(c)(1) and (3) of the Act, we determine that revocation of the *Order* on folding gift boxes from China would be likely to lead to continuation or recurrence of dumping, and that the magnitude of the dumping margins likely to prevail would be weighted-average dumping margins above *de minimis*.

<b>Manufacturers, Producers, and Exporters</b>	<b>Weighted-Average Margin (percent)</b>
All Manufacturers, Producers, and Exporters <sup>7</sup>	Above <i>de minimis</i>
